DETAILED ACTION

1. This is the second office action for serial number 10/811,438 filed on 3/26/04.

This application contains 28 claims numbered 1, 4-5, 10-23 and 28-38. Claims 2-3, 6-9 and 24-27 have been canceled.

Claim Objections

2. Claims 1 and 23 are objected to because of the following informalities.

Claim 1, line 14, "the leg seat unit" should be changed to – the seat leg unit --

Claim 23 appears to have more than one sentence. Claim supposes to be one sentence only. Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. Claims 23 and 28-38 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 23, the phrase "tube like" renders the claim indefinite because it is unclear what constitutes "tube-like". Further, the "like" basically includes elements not actually disclosed thereby rendering the scope of the claim unascertainable.

Allowable Subject Matter

4. Claims 1, 4-5, 10-22 are objected to, but would be allowable if rewritten to overcome the objections set forth in this Office action.

Claims 23 and 28-38 are rejected, but would be allowable if rewritten to overcome the rejection under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action

Response to Arguments

5. Applicant's arguments filed 03/02/06 have been fully considered but they are still not persuasive.

Independent claims 1 and 23 have been amended to include allowable limitations however, Applicant has not been amended independent claim 23 to overcome 112 rejection as previously pointed out in the office action. The rejection under 112 is therefore still maintained.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
